We have a comprehensive Notice of Privacy Practices that describes these uses in detail. You are free to refer to this Notice at any time before you sign this consent document. As described in our Notice of Privacy Practices, the use and disclosure of your health information for treatment purposes not only includes care and services provided here, but also disclosures of your health information as may be necessary or appropriate for you to receive follow-up care from another health professional. Similarly, the use and disclosure of your health information for purposes of payment includes our submission of claims to third-party payors or insurers for claims review, determination of benefits and payment, our submission of your health information to auditors hired by third-party payors and insurers, among other aspects of payment described in our Notice of Privacy Practices. Our Notice of Privacy Practices will be updated whenever our privacy practices change. You can get an updated copy here at the office.

We can decline to serve you if you elect not to sign this consent form.
